[The book of mystery. The most powerful item in this world. In the right hands it can perform miracles, but in the wrong hands it can be the end of the world. Now that it's vanished we're running out of time. It'll fall into the hands of the evil one. This world is doomed forever more. Find it: Guard in with your life, for in your hands lies the destiny of Kali!]

Is this a nightmare? My soul is lired and weak  
Dark side is handling me, wantiing my defeat  
I'm so lost and I don't know, if I'll ever get home again  
But I won't give in I'll guard it until the end  
And my quest will never end, as long as  
the shadows till remain  
My quest won't end, when shadows still remain  
'Cause in my hands I hold a key, powers beyond  
reality

The spellbook must be restored  
Where sorcerers of light has it's home  
There it shall serve to the powers of light  
Bring peace to all mankind

The book of mystery  
Brings evil to it's knees  
The book of mystery  
Gives light to you and me

And my quest will never end, as long as  
the shadows till remain  
My quest won't end, when shadows still remain  
'Cause in my hands I hold a key, powers beyond  
reality

The spellbook must be restored  
Where sorcerers of light has it's home  
There it shall serve to the powers of light  
Bring peace to all mankind

The book of mystery

Brings evil to it's knees  
The book of mystery  
Gives light to you and me
