Sleet is falling
Shadows all around
A light is calling
For the lost and fallen ones
No rest for the wicked
In life and death entombed
By twisted delusions
Forever lost and doomed
Seeking redemption
To break the chains of sin
Searching oblivion
(Shine on shine on)
You restless spirit
(Shine on shine on)
Keep searching the door
(Shine on shine on)
Into land forevermore
Giving confession
Telling wrong from right
Leaving marks of correction
In a trail of distant light
In a past of betrayal
Lies the key to free a soul
Bringing light for the needy
The secret will unfold
Now repenting
The sins of yesterday
Searching oblivion
(Shine on shine on)
You restless spirit
(Shine on shine on)
Keep searching the door
(Shine on shine on)
Into land forevermore
(Shine on shine on)
You restless spirit
(Shine on shine on)
Keep searching the door
(Shine on shine on)
Shine your light to get ashore
The land forevermore
