On a dance in masque

On a dance in masque

On a dance in masque.

Crossing the Champs Elysee - on y dance in masque

Calling a taxi - on y dance in masque

I said listen

can you show me the way - on y dance in masqu

Here I got an invitation for a ball masque tonight.

I got to be there at eight

And I can't show up late

They told me today on y dance in masque.

Dance on

honey

I got to know tonight

Name and number before you go outside.

Dance on

honey

how I have been thinking

And wondering who I am dancing with.

Maybe you are the only one that I have been waiting for

So I I I just wonder and wait until then on y dance in
masque.

I am in the mood for romance - on y dance in masque

But then I don't know you - on y dance in masque.

Maybe I'd better stop dancing - on y dance in masque

And I promised myself I'll never would fall

In love again

Baby

What a surprise to realize

now it's to late -

On y dance in masque.

Dance on
honey
I got to know tonight
...
Dance on
honey
I got to know tonight
