California Girls
Are nature born yo
California
U can see the colored wind blow
California, California, California, California
Yeah it's alright
Yeah it's alright
Yeah it's alright
No place I'd rather be tonight
California
I'm rollin' in the slow lane
California
I'm wearin' persol frames
California, California, California, California
Yeah it's alright
Yeah it's alright
Yeah it's alright
No place I'd rather be tonight
California
Uh, huh, huh
