"Losing Game"

I saw the eyes of this warchild
They are so cold and so tired

Do you hear, his face is always in my mind
The end is near, are you insane or are you blind

I hear the blood-shoked screaming
And nothing else can?t deny

The endless fear, till all the greed is satisfied
A bloody tear, there is no place where you can hide!

I smell the fear of the victims
But I can?t pay for their life
The rescue?s still in our hand
But we won?t fight just till the end

A bloody tear, there is no place where you can hide
The end is near, are you insane or are you blind

I feel the hate in my mind
There is no love I can find
My heart is full of pain
Our life is just a losing game!
