Yeah you've got ta lotta learn
But ya never gonna get it from me
Yeah you've got ta lotta learn
Guess ya bit off more than your piece&
Ya go paranoid
Try'na take my coin
Fuckin' up the deal
Makin' it unreal

Yeah you've got ta lotta learn
But ya never gonna get it from me
Yeah you've got ta lotta learn
Guess ya bit off more than your piece&

Loadin up da scuds
Their pointin' at ya hut
Feel the triggers steel
Push button feel&

Yeah you've got ta lotta learn
But ya never gonna get it from me
Yeah you've got ta lotta learn
Guess ya bit off more than your piece&

Yeah you've got ta lotta learn
But ya never gonna get it from me
Yeah you've got ta lotta learn
Guess ya bit off more than your piece...
