There ain't nothin' goin'
On out in Needles
There ain't nothin' goin' on there
That's why I go
There ain't nothin' goin' on
In Needles
Check in my hotel
I'm layin' low
I get no calls when I go
Out ta Needles
Yeah I sleep into the morning
Til I'm through
Then I get up
And I take my motorcycle
I ride off out there
And I feel good
Yeah I take off out
There and I feel good
No complications
No complications
No complications
When you're here
So complicated
So complicated
So complicated
When you're there
Found a person out walkin'
Toward Needles
He'd been walkin' for five days
And man it showed
Gave him water
And then asked him
Where he came from
"Mi pueblo esta en Mexico"
He said he came up from Mexico
We gave him a ride up
To the next town
Through the desert was
30 miles or more
Said he'd take him a
Greyhound bus to la

I hope he made it
I'll never know
I'll bet he did though
Yeah I hope so
There ain't nothin' goin' on
In Needles
There ain't nothin' goin' on there
That's why I go
There ain't nothin' goin' on
In Needles
I hope he made it
I'll never know
I'll bet he did though
Yea I hope so
