Don't really need no, no bag o' cocaine  
I don't really need no, no fold a smack  
Been there and done that, that ain't too clever  
I sure don't miss it had enough of that crap

Bank robbers shootin up North Hollywood yeah  
Seems like a rerun livin on this town  
I go see a movie, try and entertain me  
It don't half compare to the shit  
That's goin down around here

It's old hat  
It's old hat  
It's old hat  
But I sure do like the sound of that

I don't really need no, no sub machine gun  
Your paranoia is getting old  
But I wouldn't mind to have myself a bazooka  
I'd go play Elvis and blow a hole in my heart  
It's old hat  
It's old hat  
It's old hat  
But I sure do like the sound of that  
It's old hat  
It's old hat  
It's old hat  
But I sure do like the sound of that
