Snafu, snafu, snafu, snafu

Situation normal, it's all fucked up

Situation normal, it's all fucked up

Snafu, snafu, snafu, snafu

Situation's ordinary, it's all fucked up

Situation's ordinary, it's all fucked up

Snafu, snafu, snafu, snafu

Had a little pain, taking cocaine

Looking funny trying to find yourself another vain

Had a little bread, taking cocaine

Looking funny trying to find yourself another vain

Snafu, snafu, snafu, snafu

Snafu, snafu, snafu, snafu
