Whenever we kiss
I worry and wonder
Your lips may be near
But where is your heart?

It's always like this
I worry and wonder
You're close to me here
But where is your heart?

It's a sad thing to realize
That you've a heart that never melts
When we kiss, do you close your eyes
Pretending that I'm someone else?

You must break the spell
This cloud that I'm under
So please won't you tell
Darling, where is your heart?

Please format in same as original for the singer to be able to follow it with the music as best you can. Thanks so much. This is for my 90 year old father who wants to learn this in French to sing to an old dying friend who spent many years in France during WWII.
