She's beautiful  
But she's a whore  
She is lovely  
You can adore  
She's so easy  
She's a whore  
So when you want some  
Buy some more

A hundred men have been there before  
That's the warning when you're loving a whore  
Half the world has made her cum  
Who the hell hasn't she done

She's a nympho  
Well she's a whore  
One just got done and  
One's at the door  
It's like a ride yeah  
She's a whore  
When it's your business  
Love's a bore

A hundred men have been there before  
That's the warning when you're loving a whore  
Half the world has made her cum  
Who the hell hasn't she done

She's a whore  
She's a whore  
She's a whore  
She's a whore

I took my chance yeah  
She's a whore  
She don't say no so  
I get some more  
It's risky business  
She's a whore  
But she can love me  
Like no more

A hundred men have been there before  
That's the warning when you're loving a whore  
Half the world has made her cum  
Who the hell hasn't she done

She's a whore  
She's a whore  
She's a whore  
She's a whore
