It's been a long day sacking groceries at the hinky  
dinky store.  
All the old ladies are mean,  
I don't want to do this anymore,  
But if I got home, and tell my mom I don't have a job,  
She's gonna make me move into a tailer home  
(And that's not cool)  
Doesn't matter what you say,  
I'm not gonna listen anyway  
Cuz Stevie Wonder's on the radio.  
Put some cans on your eggs,  
Now I'm staring at your legs cuz you are a milf and  
your'e fucking hot.  
I try so fucking hard to make it on my own.  
And every time I try I end up all alone.  
I know exactly what it takes to be a man  
But I will never reach that status sacking cans.  
Everyday, is exactly the same  
As today some shit never changes here.  
Doesn't matter what you say,  
I'm not gonna listen anyway.  
Can I get a price check on some beats? (16 bucks)  
I showed up an hour late and now my manager irritated.  
He's the type of guy I'd like to kill.  
I try to live my life the hinky dinky way.  
But then I realized that's just fuckin gay.  
I know exactly what it takes to be a man  
But I will never reach that status sacking cans.  
Everyday is exactly the same  
As today some things never change around here  
Everyday is exactly the same  
As today some things never change around here  
Paper or Plastic?
