She doesn't't like me well never get married.
She doesn't't like me well never have kids.
She doesn't't like me that's why she always tells me
Maybe we should just be friends.
She doesn't't like me, my arms are too hairy.
She doesn't't like me I don't have tits.
She doesn't't like me because I got a wiener, two balls,
And Im not a chick.
Well, I got this vibe like she had something to hide,
So I looked deep inside
Didn't think that I would find that my girlfriend was gay
So I thought to myself Hey!
Ill try to get her in a three-way.
Maybe I'll get her in a three-way.
My girlfriends a lesbian.
