You can't live, not without me.  
No, no, no, not without me.

I'm the breeze that touches your face.  
I'm the cloud that floats into space.  
I'm the tree growing tall and strong.  
I'm the water to wash away wrong.

Chorus:  
Haven't you learned all I do is for you?  
You can't live without me.  
No one else knows how I do what I do.  
You won't live without me.

Without me, you can't live without me.

I'm the silence when you want to scream.  
I'm the comfort you find in your dreams.  
I'm the room where you go to find peace.  
I'm the solace that crying has released.

Chorus:  
Haven't you learned all I do is for you?  
You can't live without me.  
No one else knows how I do what I do.  
You won't live without me.  
Haven't you learned all I do is for you?  
You can't live without me. (You can't live.)  
No one else knows how I do what I do.  
You won't live without me.

Live without me... do what I do... gonna live without me.  
You can't live without me.

Chorus:  
Haven't you learned all I do is for you?  
You can't live without me.  
No one else knows how I do what I do.  
You won't live without me.  
Haven't you learned all I do is for you?  
You can't live without me. (Gonna live without me.)

No one else knows how I do what I do.  
You won't live without me. (Not without me)  
You can't live without me. (You can't live)
