[He:]

With our minds addicted to globalization  
We lost our pure nature  
And we entertain ourselves to the point  
Of becoming thoughtless slaves of this circus world

[She:]

I don't know how to face the world  
If I don't know it's face  
But I'll content myself with my own world

[She/he:]

All their broadcasts are blinding my eyes  
They control all of the truth  
To feed their endless lies

[He:]

Listen to your deepest voice  
Screaming to be free to build a free world

[She:]

Free my soul  
Of remaining trapped  
In this rotten passage  
To oblivion

[He:]

Death  
Pain  
Scream  
Lies  
This is the last chance for you to fly!

[She:]

My wings are now hardened  
By the mould of this world  
But I can't let go of this flight  
I'll built it again with the strength of wisdom  
And I'll fly to my home
