Gentleman:

Your green eyes with their soft light  
Your eyes that promise sweet nights  
Bring to my soul a longing  
A thirst for love divine  
In dreams I seem to hold you  
To find you and enfold you  
Our lips meet and our hearts too  
With a thrill so sublime  
Those cool and limpid green eyes  
A pool wherein my love lies  
So deep that in my searching  
For happiness I fear  
That they will ever haunt me  
All through my life they'll taunt me  
But will they ever want me?  
Green eyes, make my dream come true!  
Clarinet solo-Instrumental

Lady:

Soft lights  
And eyes that promise sweet nights  
Bring to my soul a longing  
A thirst for love divine  
In dreams I seem to hold you  
To find you and enfold you  
Our lips meet and our hearts too  
With a thrill so sublime  
Those cool and limpid green eyes  
A pool wherein my love lies  
So deep that in my searching  
For happiness I fear  
That they will ever haunt me  
All through my life they'll taunt me  
But will they ever want me?  
Green eyes, I love you!

Gentleman:

And Annie the librarian knows it's true!
