"How Many Times"

How many times must I go through this

How many times must I cry

How many times must I start again

And how much time must pass by?

And I don't want to know

why you can't

why you won't

why you don't

and why you shouldn't do it

all I want to know is

How many times must I go through this

and how many times must I cry

How many times must I start again

and how much time must pass by

Oh I don't want to know

why you can't

why you won't

why you don't

and why you wouldn't do it

but all I want you you to tell me is

How many times.

This is our first single and is an old Metallica song, I
don't know if you

already have it or not but here it is anyway
