Chorus:

What I feel is not what I need,

What I need is not what I feel,

And though everythings spinning and the bells keep on  
ringing,

I can't tell him what I feel, Cause what I feel is him!

It was the last day of school,

And I saw you with that girl,

I looked in your eyes,

I knew what to say,

I said honey lets leave this place,

We ran out of the door,

And we were laughing all the way,

He pulled out of the parking lot,

And then we drove away,

Then I looked in his eyes,

He said baby, I love you,

Do you love me too?

I couldn't say what I feel because,

CHORUS

I just stared at him blankly,

He asked me what is wrong,

I said no offense but I don't think I can answer that question,

He stopped the car,

He said I love you,

So baby tell me the truth,

do you love me too?

I said listen up,

I don't know,

your great,

your smart,

your everything that is cool,

but i can't answer that question,

so just take me back to school,

My mind was racing but i couldn't tell him what I feel,

Because

CHORUS

He said I'm leaving tomorrow,

And I could never see you again,

So sweetie tell me do you really love me,

Cause I need to know,

My mind was saying fool forget him,

But my heart was saying don't let him go

He got out of the car,

He began to walk away,

I said honey don't leave me I really need ya,

So I told what I feel,

I said what I feel is not what I need,

And what I need is not what I feel,

And though everything is spinning and the bells keep  
on ringing,

I have to tell you what I feel,

Cause what I feel,

Is you.....
