Don't know much about history  
Don't know much biology  
Don't know much about a science book  
Don't know much about the French I took

But I do know that I love you  
And I know that if you love me, too  
What a wonderful world this would be

Don't know much about geography  
Don't know much trigonometry  
Don't know much about algebra  
Don't know what a slide rule is for

But I do know one and one is two  
And if this one could be with you  
What a wonderful world this would be

Now, I don't claim to be an A student  
But I'm trying to be  
For maybe by being an A student, baby  
I can win your love for me

Don't know much about history  
Don't know much biology  
Don't know much about a science book  
Don't know much about the French I took

But I do know that I love you  
And I know that if you love me, too  
What a wonderful world this would be

La ta ta ta ta ta [History]  
Hmm-mm-mm [Biology]  
La ta ta ta ta ta [Science book]  
Hmm-mm-mm [French I took]

Yeah, but I do know that I love you  
And I know that if you love me, too  
What a wonderful world this would be
