Throwing it all away, sometimes I feel like that is all  
There ain't a single day  
That I don't want you, I don't need you at all  
There ain't a single day, I wouldn't do for you

I can't understand the way you feel  
But I'm gonna keep on tryin' and tryin', until I get it right  
A part of you inside of me is dying  
So tell me what you're gonna do to bring me back to  
life

You've given me everything  
So how could you take it all away  
The place that you left me in, it's so empty  
But I still want you, oh here with me

I can't understand the way you feel  
But I'm gonna keep on tryin' and tryin', until I get it right  
A part of you inside of me is dying  
So tell me what you're gonna do to bring me back to  
life

?Cause, I'm not living without you  
This emptiness won't go away

There ain't a single thing I wouldn't do for you

I can't understand the way you feel  
But I'm gonna keep on tryin' and tryin', until I get it right  
A part of you inside of me is dying  
So tell me what you're gonna do, tell me what you're  
gonna do

Yeah, I can't understand the way you feel  
But I'm gonna keep on tryin' and tryin', until I get it right  
A part of you inside of me is dying  
So tell me what you're gonna do to bring me back to  
life  
Bring me back to life, bring me back to life
