I feel feelings from long ago
Branded on my soul, welcome to my show
I've been searching through the past through the
things that didn't last
And I've been coming up short and I wanna be where
you are

I don't want to wait anymore 'cause I've tried
And I don't wanna lose this time
I don't want to wait anymore
'Cause, it hurts me so that I feel I've lost control

I deal dealings in my mind from memories left behind
That keep running through my head
I try so hard but always trip, you're at my fingertips
Telling me this love's not and I wanna be where you
are

I don't want to wait anymore 'cause I've tried
And I don't wanna lose this time
I don't want to wait anymore
'Cause it hurts me so that I feel I'm losing control

Just give me half a chance
And I won't let you down

I feel feelings from long ago
Branded on my soul, welcome to my show

I don't wanna wait anymore, 'cause I've tried
And I don't wanna lose this time
I don't want to wait anymore
'Cause It hurts me so that I feel I'm losing control

I don't wanna wait anymore, 'cause I've tried
And I don't wanna lose this time
I don't want to wait anymore
'Cause It hurts me so that I feel I'm losing control
