Blest pair of Sirens, pledges of Heaven's joy  
Sphere-born harmonious sisters, Voice and Verse  
Wed your divine sounds, and mixt power employ  
Dead things with inbreathed sense able to pierce  
And to our high-raised phantasy present  
That undisturbed song of pure consent  
Aye sung before the sapphire-coloured throne  
To him that sits thereon

With saintly shout and solemn jubilee  
Where the bright Seraphim, in burning row  
Their loud, uplifted angel-trumpets blow  
And the Cherubic host in thousand quires  
Touch their immortal harps of golden wires  
With those just spirits, that wear victorious palms  
Hymns devout and holy psalms  
Singing everlastingly

That we on Earth with undiscording voice  
May rightly answer that melodious noise  
As once we did, till disproportioned sin  
Jarr'd against Nature's chime, and with harsh din  
Broke the fair music that all creatures made  
To their great Lord, whose love their motion swayed  
In perfect diapason, whilst they stood  
In first obedience, and their state of good

O may we soon again renew that song  
And keep in tune with Heaven, till God ere long  
To his celestial consort us unite  
To live with him and sing in endless morn of light
