"Come, bless the Lord"

To every tribe and nation,
To every land and tongue,
His call goes forth to honor
The exalted, holy One.
Come bless the Lord; he is holy, holy.
Come bless the Lord; he is holy, holy.
Unending love flows from the throne.
He is mercy, he is righteous, he is faithful and true.
Come bless the Lord, for he, he is holy.
As God's Spirit works within us,
Let us reverently draw near.
May the blood of Jesus cleanse us
And heal us from all our fears.
Come bless the Lord; he is holy, holy.
Come bless the Lord; he is holy, holy.
Unending love flows from the throne.
He is mercy, he is righteous, he is faithful and true.
Come bless the Lord, for he, he is holy.
Every star will dim before him
At the brightness of his name,
For only he is worthy
Of all power and all praise.
He is mercy, he is righteous, he is faithful, and true.
He is mercy, he is righteous, he is faithful, and true.
Come, bless the Lord, for he, he is holy.
Holy!
