Come, now is the time to worship
Come, now is the time to give your heart
Come, just as you are to worship
Come, just as you are before your God
Come

One day ev'ry tongue will confess You are God
One day ev'ry knee will bow
Still the greatest treasure remains for those,
Who gladly choose you now

Come, now is the time to worship
Come, now is the time to give your heart
Come, just as you are to worship
Come, just as you are before your God
Come

One day ev'ry tongue will confess You are God
One day ev're knee will bow
Still the greatest treasure remains for those,
Who gladly choose you now
Ooh, we're calling You
Calling all nations
Now is the time

One day ev'ry tongue will confess You are God
One day ev'ry knee will bow
Still the greatest treasure remains for those,
Who gladly choose you now

One day ev'ry tongue will confess You are God
One day ev're knee will bow
Still the greatest treasure remains for those,
Who gladly choose you now
