Come to us, True Light of heaven  
Come and illumine our night  
Come to us, Great Hidden Treasure  
Come, Joy and Endless Delight

Come, God beyond understanding  
Come, speak Your Truth to our minds  
Come, God above all transcending  
Rest in this place for a time

Ever the same, we are calling Your name - Three in One  
Holy and True, we are longing for You  
(won't You)

Come, Lord.  
Come let Your glory fall fresh upon this place  
O Come, Lord.  
Come to us for we have longed to see Your face  
Without You our worship is empty  
Without You our song is unsung  
Without You our souls are left thirsty  
So please won't You come!

Come to us, Comfort and Healing  
Bind up the wounds of our souls  
Come with Your light all revealing  
Expose every secret we hold.

Hear as we call You, we love You for all You have done.  
Bowing in rev'rence, we long for Your presence (O)

Come, Lord.  
Come Holy Mystery, Let Your name be known  
O Come, Lord.  
Come and let this be the place Your glory's shown  
Without You our worship is empty

Without You our song is unsung  
Without You our souls are left thirsty  
So please won't You come!
