God's been good to me
Oh God's always been good
God's been good to me
Oh God's always been good

I don't always say the right things
Boy I try
I don't always live my life the right way
But God is faithful to forgive me
When I fail or fall
I am unworthy of it all
Still he keeps on givin'

Chorus

My God has given me
More than I ever dreamed
A precious family
And friends who care for me
Why should He love me so
Oh that I'll never know
I am unworthy of it all
Still He keeps on giving' to me

Chorus

It would take hours and days at a time
For me to sit down and write down
All the things He's done
Let me say this that it's nothing I've done
But it's the grace He gives freely to everyone
Tell everybody
Tell everybody 'bout it
Tell Everybody
Everybody ought to know
