"Idumea"

And am I born to die?
To lay this body down!
And must my trembling spirit fly
Into a world unknown?

A land of deepest shade,
Unpierced by human thought
The dreary regions of the dead,
Where all things are forgot.

Soon as from earth I go
What will become of me?
Eternal happiness or woe,
Must then my portion be!

Waked by the trumpet sound,
I from my grave shall rise;
And see the Judge with glory crowned,
And see the flaming skies!

The choir shown in the video is skipping the 2nd verse and repeating the 4th, but that's the interpretation I liked best from the many versions available on YouTube.
