"In Your presence"

Father I am waiting,
I need to hear from You.
To know that You're approving
of what I say and do.

Cause nothing really satisfies
like when You speak my name.
So tell me that You'll never leave
and everthing will be okay.

In Your presence, all fear is gone,
in Your presence.
In Your presence, is where I belong,
in Your presence.

Father I'm returning
the things I used to do.
Cause somewhere on the journey
I think I lost hold of the truth.

But nothing really satisfies
like when You speak my name.
So tell me that You'll never leave
and everthing will be okay.

In Your presence, all fear is gone,)
in Your presence.)
In Your presence, is where I belong,)
in Your presence.) 2x
