"More than anything"

I lift my hands in total adoration unto You
You reign on the throne for You are God and God alone
Because of You my cloudy days are gone
I can sing to You this song
I just want to say that I love You more than anything
Love me in Your Arms
You were my shelter from the storm
When all my friends were gone
You were right there all along
I never knew a love like this before, Oh
I just want to say that I love You more than anything

I Love You Jesus
I worship and adore You
Just want to tell
Lord, I Love You more than anything
