Everyday they pass me by,
I can see it in their eye;
Empty people filled with care,
Headed who knows where.
On they go through private pain,
Living fear to fear;
Laughter hides the silent cries
Only Jesus hears.

People need the Lord,
People need the Lord;
at the end of broken dreams,
He's the open door.

People need the Lord,
People need the Lord;
When will we realize
People need the Lord.

We are called to take His light
To a world where wrong is right;
What could be too great a cost
For sharing life with one who's lost?
Through His love our hearts can feel
All the grief they bear;
They must hear the Words of Life
Only we can share.

People need the Lord,
People need the Lord;
At the end of broken dreams,
He's the open door.

People need the Lord,
People need the Lord;
When will we realize

That we must give our lives,
for people need the Lord.
People need the Lord.
