As little children we would dream of Christmas morn
Of all the gifts and toys we knew we'd find
But we never realized a baby born one blessed night
Gave us the greatest gift of our lives

*We were the reason that He gave His life
We were the reason that He suffered and died
To a world that was lost He gave all He could give
To show us the reason to live

As the years went by we learned more about gifts
The giving of ourselves and what that means
On a dark and cloudy day a man hung crying in the rain
All because of love
All because of love

*Chorus

I finally found the reason for living
It's in giving every part of my heart to Him (every part to Him)
And all that I do every word that I say (you know I'll be saying)
I'll be giving my all just for Him, for Him (every thing for Him)

We are the reason that He gave His life
We are the reason that He suffered and died
To a world that was lost He gave all He could give (all that he could give all)
To show us the reason to live

#He is the reason to live
(don't you know do you know the reason
that he came, oh he came to save us
when he gave his life for us) he suffered and died
To a world that was lost He gave everything (everything that He had He gave)
To show us the reason to live
