Yeah

I'm hungry

I'm starving

I want some food for my tummy

I want some

pizza coke and ice cream

popcorn cotton candy

marshmallows milkshake and peanuts

would be so great

pies chips candy apples

twinkies frosted flakes

donuts french fries

and some chocolate cake with mustard

cookies avocados pancakes

pineapple juice

whipped cream on some raw meat

that's not all i could eat

I'm hungry

I'm starving

I want some food for my tum...

I want some

honey roasted walnuts
pepperoni slices
pasta and burritos
different kinds of rices
cherries dipped in chocolate
cottage cheese and jelly
colonel sander's chicken
still won't fill my belly
broccoli sticky syrup
churros dipped in sauce
drippy sloppy joes
Then i'm full at last
ahhh ahhh
I'm full at last
Burp
