Can you hear the whistle

Loud clackety-clack

It's calling to me

The station is where it's at

It's coming again now

Chuggin' down that track

Just check your records

Got all my bags packed

You'll always find me waiting for that train to come
through

Come get me, take me, the land where my dreams
come true

This time I'll board that train

It won't be long

Check the label on my baggage

Destination in my song

Talk to the conductor

Saved up my fare

Yakety-yak for a while

Choo Choo!

(Repeat Chorus 2X)

Hurry grab my luggage

Hurry grab my bags

It seems the locomotive

Has taken another track

A penny brought on my mischief

A penny, a form of cash

Has been placed upon the railway

We are destined to be a smash

(Repeat Chorus...fade
