E. Stefani, G. Stefani)

I can see it all in an eyeblink  
I know everything about how you are  
I can understand exactly how you think  
Between you and me it's not very far  
Side by side, you and I  
With many many years behind us  
You let words pass us by  
Because we're always together  
And we will be forever  
Such a special treasure, you and I

Don't speak  
I know just what you're saying  
So please stop explaining  
It's nothing new that I've heard  
And don't speak  
I know what you're saying  
So please stop explaining  
It's nothing new that I've heard

And i can see it all in an eyeblink  
And don't you think that you're being heard  
Because I know it....
