The waves keep on crashing on me for some reason

But your love keeps on coming like a thunderbolt

Come here a little closer

'Cause I wanna see you, baby, real close up

(Get over here)

You've got me feeling hella good

So let's just keep on dancing

You hold me like you should

So I'm gonna keep on dancing

Your performance deserving a standing ovation

And who would have thought it'd be the two of us

So don't wake me if I'm dreaming

'Cause I'm in the mood come on and give it up

You've got me feeling hella good

So let's just keep on dancing

You hold me like you should

So I'm gonna keep on dancing

You've got me feeling hella good

So let's just keep on dancing

You hold me like you should

So I'm gonna keep on dancing

Ooh yeah yeah

Ooh yeah yeah

You've got me feeling hella good

So let's just keep on dancing

You hold me like you should

So I'm gonna keep on dancing

You've got me feeling hella good

So let's just keep on dancing

You hold me like you should

So I'm gonna keep on dancing

Keep on dancing

Keep on dancing
