Can you tell I'm faking it?
But I want to be myself
A counterfeit disposition
Can't be good for my health
So many different faces
Depending on the different phases
My personality changes
I'm a chameleon
There's more than one dimension
I can fool you and attract attention
Camouflage my nature
Let me demonstrate
Makeup's all off
Who am I?
Magic's in the make up
Who am I?
If you bore me then I'm comfortable
If you interest me I'm scared
My attraction paralyzes me
No courage to show my true colors that exist
But I want to be the real thing

But if you catch my eye can't be authentic

The one's I loath are the one's that know me the best

My makeup's all off

Who am I?

The magic's in the make up

Who am I?

The makeup's all off

Who am I?

If the magic's in the make up

Then who am I?

Magic's in the makeup

But I want to be real the thing

But the magic's in the makeup

And I want to be the real thing

My makeup's all off

Who am I
