Run

Running all the time

Running to the future

With you right by my side

Me

I'm the one you chose

Out of all the people

You wanted me the most

I'm so sorry that I'm falling

Help me up lets keep on running

Don't let me fall out of love

[Chorus:]

Running, running

As fast as we can

I really hope you make it

(Do you think we'll make it?)

We're running

Keep holding my hand

It's so we don't get separated

Be

Be the one I need

Be the one I trust most

Don't stop inspiring me

Sometimes it's hard to keep on running

We work so much to keep it going

Don't make me want to give up

[Repeat chorus twice]

(The future)

[Repeat chorus
