B. Nowell from Sublime)

[Bradley] Girls don't go crazy

[Gwen] Woman, hold your man tight

Every day I love him just a little bit more

A little bit more, a little bit more

Everyday I love him just a little bit more

And he loves me the same

[Bradley] Every day I love her just a little bit more

A little bit more, little bit more

Everyday I love her just a little bit more

And she loves me the same.

Baby if you wanna get on

[Gwen] Oh baby if you wanna get off

[Bradley] It makes no sense at all

[Both] I saw red

[Bradley] I saw red, I saw red

One more sacred lover that

[Both] I shot dead

[Bradley] Everyday I wake up just a little bit more

Feelin' like a dog out on the yard

Because that's just how we are

[Gwen] Everyday I wonder if it's over

When I wake up realizin' that we hate

And break down the war

[Bradley] You say it's black, but I can't believe you

[Gwen] And if you say it's white, you say I'm tryin to
deceive you

[Bradley] And baby you're the winner of the high and
the low

And I'd be waiting for you in the middle but I just lack
control

Baby if you wanna get low

[Gwen] Oh baby if you wanna get high

[Bradley] It makes no sense at all

[Both] I saw red

[Bradley] I saw red, I saw red

One more sacred lover that

[Both] I shot dead

[Bradley] Girls, don't go crazy

Girls, don't go crazy

Oh girls, don't go crazy

When the men use you, oh

[Gwen] Oh, woman hold your man tight

If it makes you feel right

It's your own life
