For a long time I was in love  
Not only in love, I was obsessed  
With a friendship that no one else could touch  
It didn't work out, I'm covered in shells  
And all I wanted was the simple things  
A simple kind of life  
And all I needed was a simple man  
So I could be a wife  
I'm so ashamed, I've been so mean  
I don't know how it got to this point  
I always was the one with all the love  
You came along, I'm hunting you down  
Like a sick domestic abuser looking for a fight  
And all I wanted was the simple things  
A simple kind of life  
If we met tomorrow for the very first time  
Would it start all over again  
Would I try to make you mine?  
I always thought I'd be a mom  
Sometimes I wish for a mistake  
The longer that I wait the more selfish that I get

You seem like you'd be a good dad

Now all those simple things are simply too

Complicated for my life

How'd I get so faithful to my freedom?

A selfish kind of life

When all I ever wanted was the simple things

A simple kind of life

(G.Stefani
