

Doubt No "Sinking"

Visit "[Sinking](#)" on MotoLyrics.com

You're on a wide open ocean
No one around you for miles
Your thinkin' of drinkin' on water
While you're sailing on the Nile
No one to stop you on your way
Flyin' by goes a stork
You decide to bring your oars in now
But accidently knock out the cork
Row your boat to shore
'Cause it is leaking and you're still drinking
Unless you cork the hole
You won't be sailing, you'll be sinking
No knowin' your sinkin'
You take out a bottle of rum
Swinggin' a drink to the bottom
The label reads ' Van Monchingum '
Oars back into the water
You think you'll sail on
But you can't 'cause your boat contains
Three and a half gallons
(Repeat Chorus)

Row, row, row your boar

Sail your ship to shore

You're barely, barely, barely keeping afloat

I hope that you won't drink no more
