Open the basket

Listen to the flute play

Open the basket

Listen to the flute play

Toot toot toot toot play

Snakes in the basket

Lie to lead you astray

Snakes in the basket

Force to make you betray

Your innermost truths hid away

Falling down to the underground

As you slither down to your lair

Hidden in the many trenches of a hopeless war

Those who were sold out by a corporate board

Carry the casket

Never mind the gun spray

Bury the casket

Pawns in someones gameplay

Shoot shoot shoot shoot obey

Subscription to the spreading of lies

Soldier catches a glimpse of his demise

Deep down inside even he knows  
Snakes come in many shapes and sizes  
snakes have no hands to be tied  
Concoction of malicious lies  
deep inside the general despises  
himself... listen to the flute play  
another reptile in line  
Snakes without grass cannot hide  
Falling down to the underground  
As you slither down to your lair  
Forked tongues spread the poison with a toxic sting  
So much pain their serpentine inhibitions bring
