So far, so pleased

I like the way you touch me, I like the way you tease

No car, no keys

I had to get us stranded if you know what I mean

Big scar on my knee

Beggin' for a kiss is such a dull routine

Still I'm so far, so far, so far, so pleased

So far, so fine

I find another beauty mark with every glass of red wine

So fast the time

Everytime I have to go I go and lose my mind

It's hard, okay

That's what happens when a boy and girl don't get to play

So far, so far, so far, so pleased

So far, so pleased

I like the way you touch me, I like the way you tease

No car, no keys

I could spend the night and leave at 10:15

So far, so far, so far, so pleased

So far, so pleased
