My divorce from dependence

That's when you found me

I was still soft

And we always were in trouble

Odds stacked against us

And trouble's what we are

We get so far

And then it just starts rewinding

And the same old song

We're playing it again

Suspension without suspense

Now that I've murdered your inspiration

And I forced you off

Do you hate me?

Do you want revenge?

I want to call you

But I won't

(Chorus)

Oh the pessimistic protection plan

Moderation loving

I've been hardened by the circumstances

We knew this was coming

(Chorus2x)

Intentions without intent

But I don't want the love we have to end
