Long ago
Before sense
Moral panic
Fingers point
Accusations
So unfair
Moral panic
Hang the ropes

A dedication
for the condemned
Sent to their death
For their self expression

Long ago
Before rights
Moral panic
Fingers point
She's a witch
He's a witch
Feel the noose
Rub the skin around your neck

A dedication
for the condemned
Sent to their death
For their self expression

Lined up now
Nooses tight
Switch opens
The innocent die

A dedication
for the condemned
Sent to their death
For their self expression
