Can you feel the walls come down  
From below the roof caves in  
You're right where you belonged  
You're all you should have been

I'm feeling  
I'm feeling  
I'm feeling so small  
I'm feeling so small  
Abysmal

I can feel the hate in you  
Burning bright and angry too  
Let it out or let it dwell  
Either way it gives you hell

I'm feeling  
I'm feeling  
I'm feeling so small  
I'm feeling so small  
Abysmal

I can't feel a thing right now  
Limbs are numb and noise is loud  
Have I done more than I should  
Will I pay the price with blood

I'm feeling  
I'm feeling  
I'm feeling so small  
I'm feeling so small  
Abysmal
