Pain is pleasure
Perverse it's not
Some like to burn to be
It sets me free
I like the pinch and sting
I like the hurt you make
I can't deny the ache
Drive me till I break

I feel the pain
You feel nothing

In over my head
I'll bleed till I'm dead
I feel alive
When I'm burning inside

Chains and nails
Oh studded whips
It sets me up
It gets me ready to go yeah

I feel the pain
You feel nothing

In over my head
I'll bleed till I'm dead
I feel alive
When I'm burning inside
In over my head
I'll bleed till I'm dead
I feel alive
When I'm burning inside

You know exactly how to
How to fuck
You know exactly what I like
Yeah

Oh yeah

You can be my master
I'll be your fuck slave

In over my head
I'll bleed till I'm dead
I feel alive
When I'm burning inside
In over my head
I'll bleed till I'm dead
I feel alive
When I'm burning inside
