"Compelled to Kill"

Triggers are pulled
Somewhere down inside
Impulse held back
Quickly opens wide
Urge to destroy
Annihilate it all
Watch it crash as you're
Left standing tall

Compelled
Compelled to kill
Compelled
Compelled to fucking kill

Enemies abound
Everyone will die
I want you to suffer
I want you to cry
Beg for mercy
And I will deny
I will make you suffer
I will make you die

Compelled
Compelled to kill
Compelled
Compelled to fucking kill

Please don't kill the innocent
Please don't kill the innocent
Please don't kill the innocent
No one is innocent yeah

Compelled
Compelled to kill
Compelled
Compelled to fucking kill
I want you to suffer
I want you to cry
I will make you suffer
I will make you die
