I walk in line  
With the darkside  
Into the open arms of hell  
We will  
Decide when you get there  
Who you really are  
Before you go

I can feel  
The emptiness consume  
All you've been  
All you are  
I can feel  
The emptiness consume  
All you've been  
All you are

Step into  
The blackest night  
With the damned souls of the times  
When I  
Shun the light that burns  
I become the one

I can feel  
The emptiness consume  
All you've been  
All you are  
I can feel  
The emptiness consume  
All you've been  
All you are

Ego ero everto  
Ego ero everto  
Ego ero everto  
Ego order atrum  
I will be the demon  
I will be the demon  
I will be the demon  
I command the dark

I can feel  
The emptiness consume  
All you've been  
All you are  
I can feel  
The emptiness consume  
All you've been  
All you are
