The mindless bleed for you  
The mindless bleed for you  
I've seen them open wounds  
Bodies black and blue  
Instead of helping them  
You provide them razors  
And you know that it's true  
The mindless bleed for you

God, Godspeed  
God, Godspeed

They walk on coals for you  
They walk on coals for you  
I've seen them toss off shoes  
And tread through fire for you  
Score a sick cheap laugh  
When the skin peels off  
And you know it's true  
They walk on coals for you

God, Godspeed  
God, Godspeed  
Goddamn, Godspeed  
God, Godspeed

In your name they kill on command  
In your name they beg and they stand  
In your name they control the world  
In your name they'll destroy us all

God, Godspeed  
God, Godspeed  
Goddamn, Godspeed  
God, Godspeed
