I am the snake
I am the wind and the rain
I am the pain in your world
I am the dark

I am the storm
I am the sin and the war
I am the disease in your veins
I am the death

Will you try to rid yourself
Rid yourself of me
I don't think so

I am the wound
I am the poison consumed
I am the enemy of the right
I am the end

Will you try to rid yourself
Rid yourself of me
I don't think so
I don't think so
I don't think so
I don't think so

Will you try to rid yourself
Rid yourself of me
I don't think so
I don't think so
I don't think so
I don't think so
